MY BLOOD
FLOWS
HARSHLY

do you remember how
obsessed with him
you were? you wouldn't
ever shut up about him.
you wouldn't ever shut up
to him. he wanted nothing
to do with you and you
hated him for it.

the last comic he ever
posted was about how
awful you are. i am the
3rd person to make media
about hating you. this
doesn't happen to
good people. not ever. xox

you should go
out there,
like you wanted.

you should die
out there,
for everyone else.

how long can
you keep it up?

i'm sick of waiting.

go fuck
yourself
